

SPORT

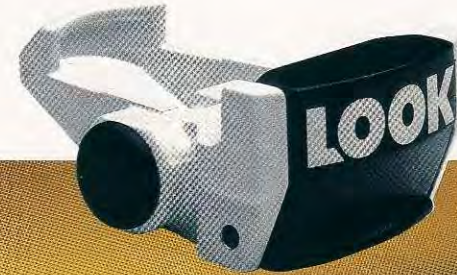

"Racing" PP 66

A new evolution of the famous classical model with which Bernard Hinault won so many races. This pedal is more efficient, comfortable, adjustable and lighter. Delivered with black wedges.

AP 66

A shoe meeting competition requirements. Leather and fabric upper designed for an optimized holding of foot, double velcro grip, new anatomic mould padding and new heel reinforcement arch.

TOURING

"Touring" PP 56

The pedal fulfilling all dreams. It combines all "Look" system technical features. Its at-factory setting provides a streamlining of use accessible to one and all. Delivered with black wedges.

Look polyvalent walking shoes with incorporated wedges.

They combine a jogging shoe comfort with the Look pedaling system performances. Aerated leather upper and velcro grip provide an excellent holding of foot. Synthetic material sole, with skid-free pads and anatomic moulded heel. Look incorporated, non-projecting wedge. This incorporated system ensures for the first time optimal walking and pedaling conditions. It comes in two models.

AS 56

Medium height upper providing a protection of ankles. Delivered with incorporated red wedge.

AS 46

Traditional upper. Delivered with incorporated red wedge.

Skid-free sole - acetal resin incorporated red wedge - interchangeable. Also exists as spare-parts.
