

GRAND RECORD

GRAND RECORD, the name is special, and for many years has been synonymous with MOTOBECANE'S best. The 1985 edition is no exception and, in fact, far exceeds all others. There's an athletic tautness about its uniquely painted two-tone all COLUMBUS SL tubing frame and fork crafted by Europe's finest artisans. Nothing has been left to chance with its incredible array of components featuring: Full CAMPAGNOLO TRIOMPHE series from seat post to derailleur, WOLBER ARC EN CIEL rims and lightning fast WOLBER tubular tires. Indeed, this is a new generation of GRAND RECORD, without an ounce of fat, and with handling characteristics far beyond its price. Racer, triathlete or connoisseur, the GRAND RECORD is the embodiment of world class engineering and the latest technology.
